Admissions Policy & How to Apply

St. Andrews International School Sukhumvit 107 aims to have an admissions policy that is as open as possible.

We therefore:

1. Consider students who need English as an Additional Language (EAL) support.
2. Consider students who need learning support.
3. Our ethical principle is that we will only offer admission if we feel we can meet and support the student's needs.
4. When admitting a student, we carefully consider the current class they will be joining.
5. If a shadow teacher is needed, this can be considered, provided the parents are prepared to cover the additional cost.
6. The school reserves the right to refuse admission or withdraw an offer if inaccurate information is submitted.

Prospective students who wish to apply to St. Andrews International School must complete an application form and pay an Application Fee to be considered for a place. Applications are considered in the order they are received. We accept new applications throughout the academic year.

1 The First Step

To apply, please submit the following:

1. Completed and signed Application for Admission.
Online application is available at
<https://www.standrewssukhumvit.com/apply/>
2. Complete and sign School and Parent/Guardian Agreement
3. An Application Fee of 5,000 Baht per child
4. Photocopies of Parents' and Child's Passports and Visas
5. Photocopies of Child's Birth Certificate
6. Official transcript or school reports for two years prior to current grade level
(translated into English)
7. Current school contact – Class teacher/ Principal
8. Educational assessment or specialist reports (where applicable)

Please note: Applications will be accepted by email, provided that the necessary hard copy documents are followed up by mail.

2 The Second Step

Once these documents have been submitted and the application fee has been received, the Admissions Office will review the application file. We may ask for more information from you or your child's previous school. St. Andrews will then contact you to arrange assessments for your child. These assessments may include:

- Written tests in English and Maths
- A meeting with the Head Teacher
- A half-day trial in class. You will then be told whether your child has met the criteria for admission

Please note:

- **Nursery children meet informally with the Head of Early Years Foundation Stage (EYFS) and Nursery teacher.**
- **Kindergarten and Reception children are invited to spend a trial day in class and have an informal meeting.**
- **Year 1 and Year 2 children have a trial day in class where teachers do an informal assessment.**
- **Years 3 to 6 children have a trial day in class where they are assessed in writing and maths. They also sit an aptitude test.**
- **Secondary School students have an English assessment and sit an aptitude test. They also attend an interview with the Head of Secondary or another member of staff.**
- **Although our school is open to students of all nationalities, the main language of instruction is English. Full participation in our curriculum requires good English. For students from Year 1, we offer a limited number of places in our EAL programme. Students in all year groups are considered individually through an informal interview.**
- **Students needing learning support will be interviewed on a case-by-case basis.**

3 The Third Step

When a place is offered, the Entrance Fee must be paid within seven (7) days. If the Enrolment Fee is not received within 7 days, the place may be offered to another applicant. The first payment of Tuition Fees is due on 1st June for August entry. For students starting during the academic year, the Tuition Fee is due within 7 days after the invoice date. The Medical Examination Form must be completed and returned before the student's start date.

Waiting List

If a place is not available when you wish to join, your child's name will be put on a waiting list and you will be told as soon as a place becomes available. Please inform the Admissions Office of any changes to your address, contact details, or circumstances.

Special Needs and Learning Support

The school has limited resources for students who have physical or significant learning difficulties, and the curriculum may not meet all needs. While we aim to be inclusive, admission in such cases is decided on a case-by-case basis to ensure we can properly support individual needs.

School Changes

This school, like any other, is likely to change over time. There may be changes in staff, buildings, facilities, curriculum, class sizes, this handbook, the "Terms and Conditions", the disciplinary rules, and the length of the school year. Tuition and school fees will be reviewed and adjusted annually.
