ADMISSION HANDBOOK

Academic Year 2021-2022

Admission Policy

St. Andrews International school **Sukhumvit 107** endeavors to have an open an admissions policy as is possible.

We therefore:

- 1) Consider students who have EAL needs.
- 2) Consider students who have learning support needs.
- 3) In offering admission, our ethical principal is that we only do so we feel we are able to meet and support the students need.
- 4) In admitting a student, we look closely at the context of the class into which they would enter.
- 5) If a shadow teacher is deemed necessary that can be considered, provided the parents are prepared to support the additional expense.
- 6) The school reserves the right to refuse admission in the case of inaccurate information being submitted.

How to Apply for Admission

Prospective students who wish to apply to St. Andrews International School will need to complete an application form and pay an Application Fee in order to be considered against the admissions criteria and be offered a place. Applications are considered in chronological order of receipt. We welcome new applications throughout the academic year.

To apply, please submit the following:

1. Completed and signed Application for Admission. Online application is available at **www.standrewssukhumvit.com**
2. Completed and signed School and Parent /Guardian Agreement
3. An Application Fee of 4,000 Baht per child

The Second Step

Once these documents have been submitted and the application fee has been received, the Admission Office will review the application file. More information may be requested from you or the previous school. St. Andrews will then contact your family to schedule age specific assessments - which may take the form of written tests in English and maths, a meeting with the Head of School and/or a half day in class. You will then be notified whether your child has met the criteria for admission.

Please note:

- Early Years students are assessed by completing informal and practical activities in the classroom.
- Primary and Secondary School students undertake an English assessment in each of the 4 main areas of the English Language (reading, writing, speaking and listening) and in a non-language based mathematics assessment.
- Although admission to our school is open to students of all nationalities, as the main language of instruction is English, full participation in our curriculum requires proficiency in the English Language. For students from Reception to Year 9 we offer a limited number of places on our EAL programme.

The Third Step

When a place is offered, the Entrance Fee must be paid within seven (7) days. If the enrolment fee is not received within 7 days, priority will be given to other applicants. The first instalment of Tuition Fees is due on June 1st for August entry. For students commencing during the academic year, the tuition fee is due within 7 days after the invoice date. The Medical Examination Form must be completed and returned prior to the student's start date.

Waiting List

If a place is not available at the time you wish to join, your child's name will be placed on a waiting list and you will be notified as soon as a vacancy is anticipated. Please notify the Admissions Office of any changes of address or other contact details, or if your circumstances change.

Special Needs

The school has limited resources for students who have physical or learning difficulties and the curriculum may not cater to their needs. Admissions, in such cases, is determined by the school on a case by case basis

School Changes

This school, as any other, is likely to undergo a number of changes during the time your child is here. For example, there may be changes in staff, in the premises, facilities and their use, in the curriculum, the size and composition of classes, the handbook, the "Terms and Conditions", the disciplinary framework and the length of the school year. Tuition and school fees will be regularly reviewed and adjusted annually.
